Re: *In the Matter of Cotter Corporation (NSL), and Laidlaw Waste Systems (Bridgeton), Inc. and Rock Road Industries, Inc. and the U.S. Department of Energy*
Administrative Order on Consent, EPA Docket No. VII-93-F-0005

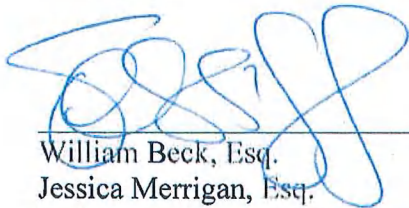

Dear Ms. Asher:

This letter responds to your September 20, 2013 letter regarding additional work that EPA is requesting to be performed under the above-captioned Administrative Order on Consent.

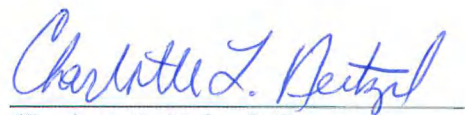

On behalf of the three private PRPs, this letter acknowledges that the following additional work will be performed: the Phase 1 GCPT work plan and all necessary work to evaluate and identify a location within Operable Unit 1, if any, for construction of a subsurface barrier, and field work will begin no later than October 10, 2013. Bridgeton Landfill, LLC will be performing this work, including responding to EPA's September 20, 2013 letter to Brian Power.

As always, if you have any questions concerning the topics addressed in this letter, please do not hesitate to contact us.

Sincerely,

William Beck, Esq.
